

We shall see
It is certain that we too, shall see
We shall see

the day that has been promised
which is written on the slate of eternity

We shall see

When the heavy mountains of injustice
blow away like cotton wool

·
Under our feet-the feet of the oppressed
-

Like a heartbeat this land will shake
and atop the heads of the power-bearers
When lightning thunders and strikes

We shall see

From God's holy earth, all idols will be taken out

We, the ahle-safa,
-We, the outcasts from the
Haram, **on the throne will be seated**

When the crowns will be tossed,
When the thrones will be brought down.
We shall see.

我们将来看到
我们将来当然地看到
我们将来看到

答应得天
被写了在永恒的板岩

我们将来看到

当不公正的重山
将吹走好象羊毛是得

在我们的脚下边 一 压迫者的脚

这个国家将像心跳一样颤抖
在有力的人头上
当雷电和雷击

我们将来看到

从上帝的圣地所有的偶像被离开

我们纯度的人，我们避难所的流
浪者，我们将在王座了

当王冠将被扔掉
和王座被推翻了
我们将来看到
